Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The claims are allowable because prior art fails to teach a trimming device for trimming each roll produced by the rewinding machine, in combination with other limitations set forth in claim 1.

Gambaro does not explicitly teach a rewinding machine for producing elongated paper rolls; a trimming device for trimming each roll produced by the rewinding machine; and the store 12 is a trimmed roll store element that stores the trimmed roll receiving the trimmed rolls from the trimming device.

Nystrand (3,905,260) teaches an apparatus for producing small paper rolls. Nystrand also teaches a store 24, 25 for storing rolls or trimmed rolls, and a cutting-off machine 28. Nystrand also teaches that the store supplies the rolls or trimmed rolls to the cutting-off machine 28 and the cutting-off subdivides the rolls or trimmed rolls into a plurality of small rolls. See Figs. 1-2 in Nystrand. Nystrand does not teach that a trimming device trims the rolls prior to be the device 24, 25. Nystrand also teaches a rewinding machine to produce rolls that is supplied to a severing machine or cutting machine 28. See Fig. 2 in Nystrand.

Friden (2,047,021) teaches logs 9 supplied to a trimming machine 50, 51 for trimming the ends of the rolls. See Figs. 1-3 in Friden.

However, it would not have been obvious to a person of ordinary skill in the art to combine combination of Gambaro and Nystrand with Friden or Nystrand with Friden, since no apparent additional or different function would be performed by modified Gambaro apparatus or modified Nystrand apparatus than is performed by the Gambaro apparatus or

Nystrand apparatus as disclosed. See the second paragraph of pages 6 and 7 of the decision by the Board of Patent Appeals and Interference mailed on 06/08/2010.

None of these references by themselves or in combination with the other prior art cited teach the claimed invention set forth in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
